Gentlemen:

We are in receipt of a cheque for $1.50 for what is apparently Huguenot Walloon New Netherland: Incidentals. We have no idea for what this payment is. If it is for a forthcoming half-dollar for the Huguenot Walloon Centennial, I can only say now that we have nothing to do with this issue or the sale of it. We will hold the cheque until we hear from you regarding the matter.

Very truly yours,

Acting Secretary & Curator
